

# CODEFLEX\*

## SUPRENE FLUTED WATER HOSE - GPW series

### Special Features

- Abrasion resistance - excellent
- Made from Cadmium free materials
- Resistance to a wide range of chemicals (see Chemical Resistance Table)
- Outstanding U.V. / Ozone resistance
- Silicone free
- Flexible
- High quality fluted water hose
- Medium duty cold water hose

### General Description

**Codeflex** Suprene Fluted Water hose is a further extension of Copely Developments' long term materials and hose technology development. This research has exploited the benefits of rubber without the associated negative aspects. **Codeflex** Suprene Fluted Water hose is fully flexible and is available from 13mm through to 25mm and exceeds the requirements laid down in BS 3746. **Codeflex** Suprene Fluted Water hose comes with a well defined flute cover in black and is impressed with our C.D. logo, product ref. etc.

## TECHNICAL DATA

### SUPRENE FLUTED WATER HOSE
