

# Eden Topaz Reinforced PVC Water Hose

Eden Garden Care

Eden Topaz is perhaps the most versatile hose available today with its unique low temperature characteristics and outstanding flexibility in any climatic condition.

This abrasion resistant hose is reinforced with high tensile polyester cord and the first choice of the Professional in any market sector. Eden Topaz is already a familiar sight in demanding applications throughout Europe.

The above specification far exceeds the requirements of British Standard BS 3746 for water hoses.

## Key Features:

- High flexibility.
- Silicone free.
- Abrasion resistance - good.
- Made from Cadmium free materials.
- Kink resistance - good.
- Outstanding all year round flexibility.
- Polyester fibre reinforcement.
- Premium quality inner.
- Exceeds BS3746 : 1990.

## Sizes:

Available in 15m, 30m and 50m coils  
12.5mm, 19mm & 25mm ID
